

## About the Rainbow Spirit Songbook...

Chord names are placed over the word, or portion of word, where the chord-change takes place. Only the first verses and choruses have notation to be applied in the same way to later verses and choruses. A small-letter "m" after a chord name designates that chord is in a minor key. Otherwise, lone chord letters mean it's a major key.

Thanks to everyone who helped to make this project possible.

### Dear Friends Gathered Here

Dear friends gathered here,  
There's something I'd like you to know.  
Before I forget to say it,  
Like I've done so many times before,  
You help my love to show ... (2x)

As our circle like the light on the moon,  
In its own time fades to a glow,  
Remember as we move into the four directions,  
The rivers of our lives.  
You help my love to show ... (2x)

You help my love to show me,  
when confusion reigns,  
And I'm soaked to the bone,  
with loneliness and pain,  
Oh wasn't there one man who's heart was changed!

### Rising and Falling

This rising and falling,  
and rising and falling is not me,  
My mind is adrift  
among tidal commotion it seems.  
Wirling patterns  
swirling distractions from peace.  
This wave is just an ocean  
in my mind's history.

Waves emerge from the ocean,  
like this concept called self.  
My fear clings to nothing  
more than thought,  
As I breath, as I breath.

Beneath this wave is freedom  
And I can see, I can see,  
That the ocean holds on to nothing.  
The ocean holds on to nothing. 18

... from previous page (I Dreamed A Dream)

I dreamed a dream a long time ago,  
'bout a people who know how to live.  
Their words and their deeds are simple and pure,  
And their love they most willingly give.  
Each day of their lives is a reverent prayer,  
Their Joy fills each moment with light;  
And the peace that's within is reflected without,  
Like a day softly echoed by light.

My dream slowly fades with the passing of time,  
Yet my vision grows clearer each day.  
I know what a wonderful world this will be,  
When we each learn the part that we play;  
And each one of us must find the truth in ourselves,  
And live it with courage and care;  
And I'll sing my song just as you will sing yours,  
What a beautiful vision we'll share;

And I'll sing my song just as you will sing yours,  
What a wonderful time we'll have here.

## How Could Anyone ... Tell You

How could anyone ever tell you  
You are anything less than beautiful?  
How could anyone ever tell you  
You are less than whole?

That your loving is a miracle?  
How deeply I'm connected to your soul.
